

KANSAS EXTENSION LOCATION STUDY

STUDY AREA SOUTH - ULTIMATE DESIGN*

*The information shown on this drawing is for illustration purposes only and is intended to depict the general location and type of road planned for the region. The indicated information represents a **four-lane future, ultimate design** that will be reviewed during the Environmental Assessment and continued planning activities. The specific geometry, alignment, and dimensions are subject to change. The roadway geometry will not be finalized until after the approval of the Environmental Assessment and the completion of more extensive detailed design.

Initial construction activities will likely include a phased construction approach that utilizes an **interim two-lane roadway**. Please review the other displays to see the likely initial construction activities. Thank you for attending.
