Amendment A

Shall the City of Rogersville, Missouri impose a local use tax at the same rate as the total local sales tax rate, currently 2.25%, provided that if the local sales tax rate is reduced or raised by voter approval, the local use tax rate shall also be reduced or raised by the same action? A use tax return shall not be required to be filed by persons whose purchases from out-of-state vendors do not in total exceed two thousand dollars in any calendar year.

If this question is approved, the City of Rogersville would begin collecting a use tax from sales made to Rogersville buyers by online and out of state vendors that are not currently taxed. The funds derived from the use tax will fund municipal costs and expenses, including police safety, infrastructure/transportation and other capital improvements, and parks and recreation.

Question

Shall Greene County Reorganized School District No. 3 (Republic) issue its general obligation bonds in the amount of \$16,000,000, resulting in no estimated increase to the debt service tax levy, for the purpose of acquiring, constructing, improving, repairing, renovating, furnishing and equipping school facilities, including:

- constructing a gymnasium at Schofield Elementary School
- constructing an early childhood center
- acquiring property for school purposes

If this question is approved, the District's debt service tax levy is estimated to remain unchanged at \$0.94 per \$100 of assessed valuation of real and personal property.

Proposition W.G.

Shall the Board of Education of the Walnut Grove R-V School District, Missouri, be authorized to increase the operating tax levy by \$0.7900 per one hundred dollars of assessed valuation through Tax Year 2040 for the purpose of providing funds for the replacement of roofing, ceiling tiles, windows, window fills, plumbing, electrical, and mechanical systems to the elementary and high school buildings; to renovate the elementary school restrooms; to construct corridors between school buildings and entry vestibules to enhance safety and security; to develop a new drop-off/pick-up lane, sidewalk and parking lot; and to complete other remodeling and repair improvements to existing facilities?

If this proposition is approved, the adjusted operating levy of the District is estimated to increase by \$0.7900 from \$4.0530, currently, to \$4.8430 per one hundred dollars of assessed valuation for Tax Year 2021 and can be applied to the assessed valuation for each year thereafter through Tax Year 2040.
