Presiding Commissioner Harold Bengsch called the meeting of August 4, 2016 to order.

Roll Call – Upon roll call the following Commissioners were present:

Present: Harold Bengsch and Roseann Bentley
Absent: Bob Cirtin

Others Present: Jennifer McClure, Jeff Scott, Tina Phillips, Kevin Barnes and Marilyn Elsass.

Items for Consideration and Action by the Commission

(None)

Informational Items

Resource Management—Kevin Barnes

Kevin informed the Commission of the revised contractor schedule for the Cox Tower renovation project which is the seventh and eighth floors of the Cox Tower Building. Kevin stated it may be close to Thanksgiving before the Prosecuting Attorney's office will be able to move into the Tower. Resource Management will try to schedule Veteran's Day as a work day for the contractors.

Kevin reported the county is working on overgrown bushes and weeds on campus, as well as county owned property off campus.

Human Resources—Camille Knowles, absent.

Jennifer McClure

Jennifer gave an update of the video programs promoting the county and reviewed an offer of free videos by a company that would include their advertisement. Concerns were expressed regarding the advertisement. Jennifer thought advertising the company may have a negative impact if there is a perception that the county is using funds for this venture. There would be no cost to the county.

Other Items

Chris Coulter:

Chris reported a call received regarding an easement litigation issue.

There was a brief discussion regarding Judge Hosmer implementing a program for handling cases more efficiently and cost effective for juvenile cases.

Chris gave an update on the Chamber Focus Group. The Financial Advisory Task Force report and 2016 Budget Summary were presented to this group.

Commissioner Bengsch adjourned.
